

REMARKS

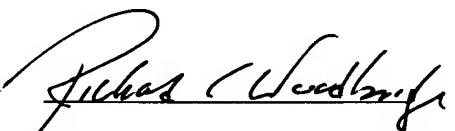

This US application claims priority from PCT/GB2004/002912 filed on July 2, 2004 and GB 0315492.9 filed on July 2, 2003.

The U.S. Patent Office is hereby requested to examine the application as amended. The amendment to the specification was made to include the priority information and to conform to US patent format. No new matter has been added by making this amendment.

If the patent examiner has any questions or comments, he/she is respectfully requested to contact applicant's attorney at the telephone number indicated below so that additional amendments may be added as required.

Respectfully submitted,

Magnus Evert OESTVALL
